EDUCATION

Mesaieed International School

High School Diploma Link — British Curriculum (Edexcel & Cambridge International)

Mesaieed, Qatar

Sep. 2013 – Jun. 2021

- Achieved A Level grade B in Information Technology (Cambridge International, June 2021)
- Completed IGCSE subjects including Computer Science, First Language English, Mathematics, Art & Design: Fine Art, and Design & Technology
- Assessed by Pearson Edexcel and Cambridge International external examination boards

University of Economics and Human Sciences in Warsaw

Bachelor of Science in Computer Science

Warsaw, Poland

Expected Sep. 2026

- Completed coursework in digital product design, software engineering, and user interface development
- Gained hands-on experience creating responsive, animated websites with wireframes across desktop, tablet, and mobile breakpoints
- Studied visual hierarchy, golden ratio principles, and cross-platform design fundamentals
- Applied user-experience methods including user personas, stakeholder maps, empathy maps, and customer journey maps

PROJECTS

Video Streaming App | *Figma, UX Research, Wireframing*

Coursework — 2024

- Performed end-to-end User Experience and Research Analysis to define product requirements
- Developed a comprehensive wireframe prototype applying responsive grid layouts, dynamic content sliders, card-based navigation, and interactive video players
- Demonstrated proficiency in user flow mapping, visual hierarchy, and consistent component design across multiple screen states
- Focused on building engaging, accessible digital experiences through iterative design and usability-focused principles

Horror Wiki Design System | *Figma, Component Libraries, Prototyping*

Coursework — 2024

- Architected a full-scale design system defining typography, color palettes, component libraries, and interactive states (hover, press)
- Built a media streaming platform prototype featuring dynamic sliders, card-based grids, and video player interfaces
- Ensured design consistency and scalability through reusable UI patterns and well-documented component states

Graphical HCI Coursework | *Typography, Colour Theory, Cross-platform Design*

Coursework — 2023

- Explored foundational design concepts: typography, colour theory, mock-ups, and cross-platform design principles
- Produced design artifacts demonstrating understanding of visual communication and user interface standards

GENERAL SKILLS

Design: Design Thinking Lifecycle, User Experience, User Research Analysis, Software Development Lifecycle

Testing: A/B Testing, Tree Testing, Heuristic Evaluation, Cognitive Walkthrough

Mapping: User Persona, Stakeholder Mapping, Customer Journey Mapping, Context Mapping, Empathy Mapping

TECHNOLOGIES

Design Tools: Figma, FigJam, Affinity, Blender, Miro, Lucid Spark

Project Management: Jira, ClickUp, GitHub Projects

LANGUAGES

Ibibio: Native language

English: Proficient — IELTS Academic, Overall Band 6.0 (CEFR B2); Listening 7.0, Reading 6.5

CERTIFICATIONS

NAVOICA / Vizja University

Website Development

Online
Jan. 2026

- Completed certified course in web development fundamentals, issued by the Vice Dean of the School of Computer Science & Technologies
- Verified: navoica.pl/certificates/7b9cb19e87b64588a7005c262738ada1

NAVOICA / Vizja University

Academic Skills

Online
Jan. 2026

- Completed certified course covering academic research, writing, and study skills methodologies
- Verified: navoica.pl/certificates/1e96020da4a54d798e74edb3d6229809

British Council — IELTS Academic

English Proficiency Certificate — Overall Band 6.0 (CEFR B2)

Doha, Qatar
Aug. 2020
